Seminar Outline

This year's seminar will start at 8:30 AM on Tuesday October 24, with registration beginning at 7:30 AM and ending at 5:00 PM and from 7:00 AM to 1:00 PM on Wednesday, October 25.

This year's seminar will focus on new or changed procedures or processes in the Federal Aviation Administration, including presentations and discussions on the following items; subject to change:

- Planning
- Environmental (PFC/AIP/Non-AIP)
- Program Management (Modification to Standards, Timing)
- Pre-Application & Grant Application requirements
- Construction Safety Phasing Plans
- Summary of 2017 AIP Program and any new information on the 2018 AIP Program
- NDAC & SDDOT topics
- AAND & SDAMA topics
- Round Table Discussions

We encourage airport managers, airport board or authority members, airport consultants, local planning or other officials responsible for an airport, to attend this seminar. We'll be sure to allow ample time for open discussion on these and other issues in an effort to identify problem areas and find solutions.
